

香港中文大學
The Chinese University of Hong Kong

Intercultural Ambassador Program 2018-19

Phase 1: Intercultural Training Workshop

- Learn about interculturalism, interpersonal and communication skills, and managing community projects
- Enhance sensibility on intercultural and community empowerment
- Learn to design and carry out neighbourhood innovation projects

Phase 2: Intercultural Neighborhood Project Design and Practice

- Form intercultural groups; design and implement sustainable intercultural projects in the neighbourhood
- Two activities should be completed by February 2019
- Develop inter-ethnic friendships and support networks
- Break down social stereotypes
- Build neighbourhoods of intercultural sensibility
